February 2005

Dear Friends:

We trust you had a wonderful Christmas and that this letter finds you well and blessed and victorious in all your ways. People are being touched and changed and we wanted to send you an update below. Please continue to pray for the ministry and upcoming events.

ACTS Ministries, San Jose, CA – Tony Anzelc

Anita and I were blessed to be part of the ACTS Conference put on by Tony Anzelc in San Jose. Tongan Churches joined us along with other ministry affiliates. Michael-John Toste, Bishop Vernon Owens, Pastor Randy Orris, ministered throughout the conference at different times. We ushered in the 2005 New Year with Prophecy, Prayer and Praise. Michael-John along with myself ministered up until 2:00 am. All we heard was praise on the lips of the people who attended the conference. We then spent a few days in Carmel fellowshiping with friends.

Abundant Living Word, West Covina, CA - Pastor Dave Flores

Released a powerful Word for 2005 to this onfire congregation who later confirmed many prophecies and words, were right on and life changing.

Bob Dickran Fellowship Meeting- Camarillo, CA – Ministered twice to businessmen, on Receiving the Promises of God in 2005. Men later testified that the Prophetic words I gave them were encouraging and edifying. One man confirmed, that what you said Only God Knew. “You make Jesus so real to me”.

Lighthouse Christian Fellowship, Fontana, CA – Pastor Mike Brito

What the devil makes out for bad, God will always turn around and make things good. As I was ministering I looked into the faces of the congregation and saw such sadness on around thirty young people, who witnessed their friend run over and killed by a reckless driver. They responded to my preaching and all of them plus their friends and relatives gave their lives to Christ. Over forty saved!! It was a real hankerchef service.

Toilers for Jesus, Los Angeles, CA – Evangelist Terry Addison

I ministered at 25th Ministry Anniversary of Brother Terry & Nancy Addison. I prayed over Ministers and Businessmen and friends. Many couples told me they felt a release of such faith when I prophesied over them. There was a gentleman who was touched like never before, he said, “Now Jesus is so real to me”. Others said we need more meetings where the Power of God is present.

Jubilee Church, Camarillo, CA – Pastor Steve Dittmar

A great Church dedicated to 24/7 Worship and Prayer. The first night I ministered to the One on One to the men of the congregation. So many testified that they received a new Impartation to walk in holiness and authority in 2005. The next day I ministered to the Church, On Living a Spirit Led Life. Pastor Steve & Brother Alex said, “You were right with your prophetic words and prayers. Jesus was in the house!!!!

AGAPE Christian Church, San Luis Obispo- Pastor Michael Sparrow

The Central Coast of California is a place where God is moving by His Spirit. I had been ministering up this way for more than 10 years. I preached on God’s Prosperity for the New Year and How to hear the Voice of God for 2005. Many gave their life to Christ and were excited when the Holy Spirit released joy, encouragement and zeal in their life. Many Pastors were mightily touched at the meetings.

ABC Meeting, Glendora, CA- Trevor Wong

I was blessed to minister again at Trevor & Phyllis’s fellowship. They are making a great impact on leaders. I spoke on the Holy Spirit and later He showed up. One couple wept after I prophesied over them. Trevor said Powerful Meeting a...Everything you preached and said by the spirit was right on.

Victory Life Christian Center – La Puente, CA

I shared my Testimony to over fifty hard-core young men who are going through a Discipleship Training. They responded with great faith. One dude said, “You’ve given

Me hope dude, you’ve been where I’ve been”.

Living Praise Christian Center- Buena Park, CA. – Pastor Rueben Reyna

I ministered, “We are more than conquerors” to a bonfire church group of many that have been delivered from drugs, gangbanging and abusive lifestyles. This group along with the afternoon group at Victory were the most responsive audience I ministered to.

Ministered a word over Senator Benedita da Silva of Brazil at ZOE Christian Fellowship of SFV during their Purposeful Breakthrough Conference in February. That God would use her to bring revival to the Government officials of America and Brazil and both nations.

TESTIMONIES

Dennis,

My name is Chris Davis and I was given a prophetic word from you in 1987. My father is Pastor Richard Davis, former pastor of Harvest Temple Church Of God in Danville, VA. I was 19 then. I'm now 35 years old, live in Atlanta, GA and have a beautiful wife and two daughters. I have thought of your prophecy at various times throughout the years. I was reminded of you recently when an author and good friend of mine, Donna Douglas, handed me her book, "God Stories." She told of an interview with you and an amazing story re: a terrible wreck that your family had been in. I don't know that there is a point to this email other than to say that you made an impression on my life some years ago and I still remember your words. Will you be in Atlanta this year?

In Christ,

Chris

IGNITING YOUR PASSION FOR THE LOST

My desire for this year 2005 is to see that the gospel message will be alive, through the passionate, hungry, thirsty, bold on fire, last day remnant Church of the Most High God. The gospel is a fire lighter. But when He, the Holy Spirit, would come they would receive power. Jesus said in Acts 1:8. This Power would give them the ability to witness to the uttermost parts of the earth. He's come to put a flame in our hearts. Unless Christ sets you on fire, you could bring no fire to earth. Without me you can do nothing. John 15:5. Paul says, in Romans 1:16, "For I am not ashamed of the gospel of Christ: for it is the power of God onto salvation. With his Holy Ghost anointing in you and upon you, you'll be able to heal the sick, cast out demons and perform miracles. He wants us to be more separated and go deeper with him in commitment and personal intimacy; He must be first place in ever area of your life. You must know him, if you will make him known. Jeremiah 20:9 says, "His Word was in my heart like a burning fire, shut up in my bones; I tried to hold it back, but I couldn't contain it." I must speak a message of salvation to a lost and dying world. Ask God to burn his Salvation Message in you, so you can be an end time soul winner.

Yours for Revival,

Dennis Tinerino
