## WORSHIP: THE KEY TO GOD'S HEART

Worship is the key to God's heart. It is the entry way into an intimate relationship with the living God. The Holy Spirit is summoning believers everywhere to pray, to lift up voices, exalt the Holy Spirit, lift up holy hands, bow down, and worship the living God. Worship will keep your heart pure, will keep your ears and eyes open to see and hear from the living God. He wants to give you the desires of your heart. He wants His church to have victory in every area of their life. He says in His word, "Delight yourself in the Lord and He also will give you the desires of your heart." (Psalm 37:4) He's talking about loving Him, honoring Him, and worshipping Him, then you will have your desires. But you must be willing to spend intimate time with Him, worshipping, praising, and honoring Him for who He is. Are you willing to spend time with Him? When you're willing to spend time, and dedicate time on a daily basis in His presence, miracles will happen.

If you're going to live a supernatural life directed by the Holy Spirit, you must realize the importance of having the heart of a true worshipper. When I gave my life to the Lord, I had a supernatural experience with God. His presence could not compare to anything that I had ever accomplished on this earth. True worship comes from the heart; it comes from the Holy Spirit. True worshippers acknowledge God for who He is. True worship will touch the heart of God, release His presence, manifest His glory. True worship is the invitation and the activator that will allow the Holy Spirit to enter into the arena of human circumstance where miracles will occur. John 14:12 says, "Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father." If we are to see what God promises us, we must completely give our hearts to Him, then the promise will come.

God is not moved by emotional worshippers. When you come to God, you come with your heart. Many people go to church and think that they need to be emotional during the worship service. It's not about outward actions. True worship is not an emotional thing. As you worship God in His presence, He will get rid of the fleshly emotions, attitudes, and sinful habits, and replace them with His emotions. 2 Corinthians 3:17 says "Now the Lord is the Spirit and where the Spirit of the Lord is, there is liberty (emancipation from bondage, freedom)." In Acts 3:19, it says, "Times of refreshing may come from the presence of the Lord." He will give you a tender heart to forgive those that have hurt you and to pray for those that are in need. Worship is the answer to receiving all of the blessings that God has for us. The more we worship God, the more He pours out His blessings. We become more like Him when we are in His presence. Whatever your needs are, worship is the answer. When you worship God, He will show you new plans, new directions, and will endue you with power from High.

Worship brings God's presence. Read: John 4:21-24, John 14:8-9, Psalm 95:6, Psalm 99:9, Hosea 14:2, Acts 16:25

# Reflecting Back on 2006

This Month I would like to share reflections on our missions trip to Kiev, Ukraine, England and the USA with you. As I mentioned in my last newsletter, we were preparing for trips to Kiev, Ukraine and England.

Reflecting back on my trip to the beautiful country of Kiev, Ukraine, I am grateful and humble that the Lord gave me this divine mission trip assignment to minister in an unevangelized nation that has had a lot of devastation from Communism.

About twelve years ago, Pastor Sunday Adelaja, a Nigerian man, started a church called The Embassy of the Blessed Kingdom of God for All Nations. He now has the largest church in Europe with 40,000 members. From this ministry he has also started dozens of churches around the world. He has influenced the political leaders of his nation and is also recognized as a man of influence throughout the world.

The first day I ministered to thousands of men. I was in awe as I saw such a hunger in the hearts of the men that were at this conference. Over the four times I ministered, more and more responded for salvation, the Baptism of the Holy Spirit, the laying on of hands, and deliverance from generational curses. At one of the meetings, Pastor Sunday, another good friend Pastor Paul Cole, and I ministered together at a symposium. At the end of the meeting, the Holy Spirit moved through me in such a powerful way I could hardly stand up. The men were filled with Holy Ghost laughter and great freedom was released in their lives. Most had never gone to church before. In the twinkling of an eye, thousands of men were running around the church, praising God, and being released from their bondages. It was simply amazing. That night, I shared my testimony with a slide show of pictures of my life. Once again, multitudes responded by accepting Christ, being filled with the Spirit, and being set free from their bondages. Many

of the men at these meetings had come out of the Russian mafia and others were involved in the KGB.

The final meeting on Sunday was held at the sports arena where once again I was able to minister. This was a five hour national gathering of all the churches in the Ukraine that come together every month and includes ministers, businessmen, ambassadors and heads of state. What really touched my heart was when 2500 people dedicated themselves to sexual purity before marriage. As I looked in the audience, most of the people had tears in their eyes because of the beautiful commitment these people made. My good friend Dean Clark also shared his testimony and sang to the audience.

Throughout the teaching sessions in Kiev, men repented from all types of perversions, marriages were restored, and men testified of understanding Jesus because they were touched by Him. We continued seeing lives touched as we ministered to people in the church's outreach groups which included a drug rehab center, a soup kitchen, and a homeless shelter. I also ministered prophetically, one on one, to Pastor Sunday's elders, pastors, close friends, and associates. I am looking forward to going back to Kiev, Ukraine in 2007 as it truly is a nation in a season of the harvesting of souls.

# Christmas Greetings to Our Faithful Friends and Partners

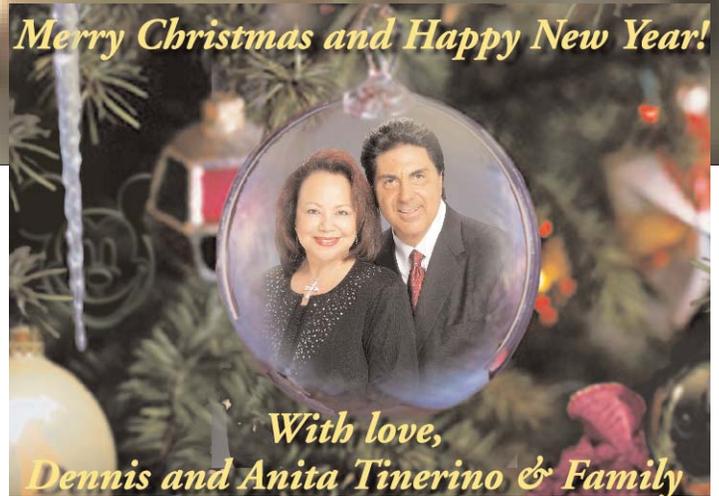

After I returned from Kiev, I was fatigued from the long flight and my time of ministry there, but the memories of so many men being saved and transformed, revived a fire of excitement into my bones for my next trip to England.

I finished my Thursday night meeting at the Beverly Hilton Hotel where the Holy Spirit really moved in a mighty way. The people in the meeting all gathered together to "send" my good friend and associate Bobby Romo and I to the United Kingdom. The next evening we were off to Bristol Bath, England where Pastors Gerri and Michelle Di Somma were celebrating the 10th anniversary of their church Carmel Christian Center. Tenth anniversary, ten days of glory! Praise the Lord! Pastors Gerri and Michelle have pioneered this work in a nation that is cold to the things of God. Their bible school and church now has students from several nations of the world.

Over the years, I have ministered many times at Gerri's church, and his new facility is already too small for the students and congregation. At the first service Bobby and I attended we heard the anointed music that came from the international choir of his church, and we wept. The anointing was so strong because of the high praises in the house. I knew that God was going to do something great over the next ten days, as Pastor Gerri and the other ministers at this conference were not afraid to allow the Holy Spirit have His way. There were three meetings a day and every meeting seemed to have more excitement and anticipation of God's glory being manifested. The same freedom that I felt in the Ukraine, because of the hunger in the hearts of the people, was in these meetings. At the end of the conference many people testified of being healed, having visions of angels, and being refreshed and rededicated. Many said it felt like heaven came to earth and

were amazed at the accuracy of the prophetic words that they received at these meetings. This is an apostolic church for God's people.

For our next meeting, Bobby and I were off to Pastor Mike Myers' River Dream Centre in Exeter. I was so excited to see the total renovation in the church that I had prophesied six years ago. God's glory was released in this church just as it was in Bristol Bath. Afterwards, we had a great time of fellowship with our friends, Pastor Mike and Marion Myers. The next day, we took a three hour train ride to London where we did some sightseeing and met with my good friend Martin Phelps, Rhema Church Croydon. We finished up meetings at Pastor Steve and Julia Derbyshire's City Gates Church, in Essex Alford. There was a Holy Ghost explosion at this four hour revival meeting. Many were saved and touched mightily by the Holy Spirit. I now believe that the churches where I've ministered are churches that will birth end time revival throughout Europe.

*Holy Ghost Anointing Service at Palace of Sport, Kiev, Ukraine*

Thank you for coming and ministering for our 10 days of glory conference. While you were praying for me, I kept hearing God say "Time to release and be released." Recently, God has released me from my job which had been taking over my life. I'm like a new person and believing to go to Bible school next year. I am finally free to do the work God has been calling me to do. Also, since the conference, God has been doing an amazing work in our church and people are beginning to use
