

## HEALINGS, MIRACLES & TESTIMONIES

Brother you were a blessing and may the Lord richly bless you in every way for your faithfulness and encouraging spirit.

Your book is being widely read, and stories are coming in of the impact you have made here for Jesus. Tim was healed of his eyesight problem, many men were encouraged to be bold in their witness for Jesus, the Leaders have been encouraged in their direction and the Lord's intentions for the Church going forward. Your book was taken into Robert Boath Junior who is serving a prison sentence in Durham Prison, by his Dad who was at the Men's night and God is working. Young Robert sent a letter from prison which suggests he has been touched by the Lord. I'll keep you posted on other developments.

Dennis, everyone here wants you to come back and next time we will organise a series of events in different venues. Hopefully Anita and maybe DJ can come with you!

Let's talk again soon

Every Blessing  
Your Brother in Christ

**Mark S, Ruvo di Puglia, Italy:**

It was such a pleasure to be able to meet you and your son. Thank you for coming to minister the Word of God here in Italy and for being His voice in a dark and desolate place. God was and is with you. We cherish your words and boldness in proclaiming truth. I am sure that what was preached here is continuing to advance in the hearts of the people.

**Kendra:**

When I was on my sick bed, you and your husband prayed for me. I had a cancer that the Dr's told me would never go away...and that it would always be in my body, even if I got chemo. The Lord made liars out of them. I am also here because you and your husband stood for my healing and miracle.

**Karen:**

Thank you for praying for my sister. She is now in remission from the lung cancer.

## Spreading the Good News Throughout Italy & England

I once heard the Lord ask me, "Will you continue to go to the nations?" I answered, "Yes, Lord I will go to preach the gospel." I heard the Lord say, "Go quickly, the time is short. As you preach my word to the nations I will give you a prophetic word that will break spiritual strongholds and bring in the end time harvest." The main emphasis on my ministry has always been the good news; the gospel.

My heart has always been to lift up King Jesus so He can have His way in people's lives, so they can know Him personally. And over these years we have seen Him move in signs and wonders and miraculous power. The prophecies that I have released have changed people's lives and launched them into their destiny. Few people have experienced the supernatural power of transformed lives as I have and I am so thankful for that.

*Dennis at the open-air crusade in Naples, Italy.*

The meetings I have done in churches and crusades have touched hundreds of thousands of people, but I realize that over these years, I have reached hundreds of millions of people through the media. The full extent of all that God has done, the lives that have been touched by His miracle power, can only be seen in eternity.

Three years ago, I was at Jubilee Christian Church in Camarillo, CA and prophet Cindy Jacobs, who I never met before, called me out of the audience and prophesied that I would be preaching to the mafia in Italy. She also said by the Lord that there will be a book and a film on my life and that I would be prophesying to world leaders, politicians and entertainment people. As you might know, my life-story has been written and I am now pursuing the prospect of a full-length feature about my life.

Last year when I was ministering at Carmel Christian Center in Bristol-Bath, England, Pastor Antonio Russo along with other Italian pastors invited me to preach to Naples and other parts of Italy and that I would be the main speaker at an open-air crusade right in the heart of Naples, which is a stronghold for the mafia (Comarrah). Being of Italian decent (Napolitano and Sicilian) I was excited to see the nations shaken by the gospel of Jesus. My son DJ accompanied me on the trip. Our first stop was Rome where we met one of the heads of the Catholic charismatic ministry. We were excited about ministering there next year. We then traveled to Bari, Italy to meet up with co-laborers and friends, Pastor Gerri and Pastor Michelle Di Somma from Bristol-Bath, England.

Our first meeting was in Barletta with Pastor Daniell. After I ministered and released prophetic words over other ministers in attendance, many people came to the Lord as the Holy Spirit was poured out. Pastor Daniell's future brother-in-law came up to testify that his kidneys had been healed.

Our next meetings were in a Province called Rofo in a beautiful campground. Over six pastors and church members came to the conference. It was awesome to see hundreds of Italian Christians standing and praising the Lord. Pastor Gerri and Michelle ministered throughout our time there and Pastor Daniell interpreted.

## The Holy Spirit moved mightily and there were reports of salvation, deliverance, and healings.

Danelli, Pastor Antonio Russo, Dennis & Pastor Gerri DiSomma

Many pastors have never received the prophetic word in their lives and they were amazed at the details of the spoken word. Many pastors invited me to preach at their church in 2010. How can I describe the faces of the Italian believers with tears streaming down their faces especially the young people as the Holy Spirit was touching them and bringing them to a new place in the kingdom of God?

I prophesied that there would be a great latter-rain outpouring of the Holy Spirit that would bring a great spiritual awakening throughout Europe that would break the spirit of idolatry that is such a stronghold throughout Italy and Europe. A couple who were pastors in Italy said twenty-five years ago I prophesied in a church in Long Island that they would go back to Italy and establish a great church there. Praise God it came to pass and I had an opportunity to meet these humble servants.

Praying Over Naples

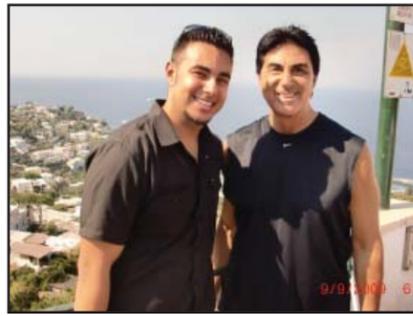

After the meetings, there was an excitement that was bubbling up in my spirit about ministering in the open-air crusade where there were supposed to be about 8,000 people in the heart of Naples. I knew that these meetings would break the generational curses and strongholds over the kingdom of darkness. When we arrived in Naples, you could feel the religious strongholds as people everywhere we were worshipping various saints. Fifty percent of the

Catholic Churches in Italy are closed down. Many of the Italians have turned to cults like Jehovah Witnesses and Mormonism. Most Italians are unhappy with the Catholic Church and immortality of the many of the Catholic Priests. Italian mafia members are known to make the sign of the cross, pray to the saints and then go kill people.

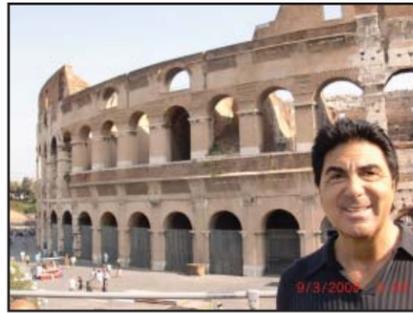

As we gathered the afternoon of the meeting, I was so humbled to see so many churches come together and reach out in an unevangelized nation. It amazed me to see the boldness of the church crusade right smack in the mafia's stronghold. One pastor said, "I don't fear anybody. I don't fear the mafia, I only fear God." There must have been more than fifty young people a part of the praise and worship team. Just visualize that this is one of the busiest intersections in the heart of downtown Naples.

## One police officer told us that your music has almost caused accidents because everyone wanted to know where this music of heaven was coming from.

This is one of the busiest intersections of the poor working class. Remember Naples is one of the drug capitals of the world. As different people shared their testimony of how they came to the Lord, the story that brought me to tears was an ex-mafia drug dealer who had shot been 8 times and left for dead was miraculously healed and delivered from drugs when he gave his life to the Lord. So many Italians testified of how they had family members, even their teenage sons killed when they left the mob. Ministry went on all day long; many people

were literally having demons cast out of them, others accepted Christ and some people needed prayer for their families to be restored. I could not wait to share my testimony and share how Christ could transform your life and give you strength to serve Him.

Pastors Gerri, Parillo, Dennis & Pastor Russo in Sicily

Thousands of people could not wait to see my posing exhibition on a hundred foot movie screen that was being played. After I preached, with Daniell as my interpreter, hundreds of people responded for salvation, deliverance, and healing. Many wanted deliverance from witchcraft, violent crimes, drug addiction and anger. These meetings broke generational curses over the people of Italy. Over the next week, we continued meetings at Pastor Antonio Russo's church near Naples. My friends, Pastor Gerri and Michelle, saw the meetings fill with church members; thousands of people were saved and delivered from every yoke of sin. As I preached on the Joy of the Lord, the Holy Spirit poured out and many people were filled with joy unspeakable, laughing uncontrollably over two hours.

Another evening as pastor and Michelle spoke from Luke 17, the Message of Offenses, so many people responded who had so many emotional hurts and scars were healed and delivered. Pastors from other parts of Italy who came to these powerful Holy Ghost meetings were blessed to receive prophesies and words of exhortation for their lives. Hallelujah! I was so blessed to witness in the streets of Naples with the church outreach team. I found favor when an 83 year old man that is part of the mafia crime family in New York was now involved in organized crime in Naples and he said, "Now that you are with me no one will come to do you harm." We then flew the team and flew to Palermo, Sicily to meet with Pastor Parilli, he has a church of over five thousand. I am looking forward to ministering there next year in Sicily. Many people told me there were many Tinerinos on this island. We flew back to Naples to continue more meetings. We even saw people come to the Lord on the island of Capri and the gulf of Naples as we ministered to Fisherman, waiters and even the rich and famous. It was so hard to say goodbye to these wonderful people of Italy, but I will see them again in 2010.

## I was awakened during the evening with the repeated fire of gunshots, I rebuked the devil and went back to sleep. Hallelujah!

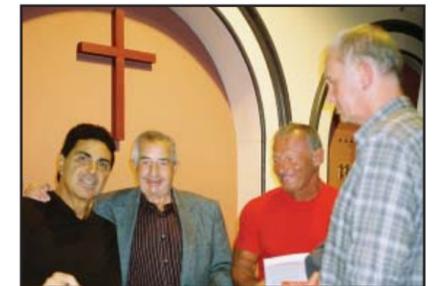

I flew out the next day to do meetings in Bristol- Bath and Exeter, Newcastle England. My first 2-day meetings were in Newcastle, England at Chowdene Community Church-Gateshead with Terry Nichol. I preached about rebuilding the spiritual foundation over Europe. Many came to the Lord and one man with floaters in eyes was totally healed. So many people said they received "the fire of the Lord" which came down upon them when I

Dennis and Terri at Chowdene Community Church

was preaching to the congregation. Many of them received a fresh baptism of the Holy Spirit. I then flew to Bristol, England to do meetings in Carmel Christian Center.

At Friday night's youth meeting, many adults even came out also. I ministered from Daniel 1:8, "what do you purpose in your heart?" As the gifts of the Spirit were being poured, old and young people were touched. The power of God swept through the meeting—the Lord revealed the heart of the Father. Other people felt the power of God and started to cry out for more of Him. Some were weeping and some were laughing as God touched them. So many young people repented for reading ungodly books like Harry Potter, being involved in sinful activities and many cried out, "Lord, create in me a clean heart so I can serve you like Daniel!" The next night as I preached on "Evangelism By Fire" hundreds were touched as I prophesied and laid hands on this powerful on fire-hungry group of believers who have the desire to walk in kingdom power and authority. This meeting went on until late in the evening. The next day I drove to Exeter, England to minister at my friend Pastor Mike Myer's at the River Dream Centre. I was so touched that so many young people said my prophetic words and preaching has launched them into full time ministry. There were so many testimonies from people after the meetings, that I cannot recount them all. The Lord once again showed up in a powerful way showing up in power in the lives of the saved and unsaved. Sunday night, I ministered on end time transfer of wealth for the end time harvest from Proverbs 13:22.

**I heard the Lord say at this meeting what you have seen here in this meeting is a sign of what is to come as Europe is set on fire for the last days end time harvest and greater realms of God's glory outpouring.**
