

Testimonies

Dear Brother Tinerino:

Thank you so much for taking this step of faith to come and minister to our people in this little island of Cyprus. Your ministry was such a great encouragement to my wife and I. We are both struggling with many things, and God sent you to encourage us to keep our eyes on Him and keep fighting the good fight of faith. The words the Lord ministered to us through you were so accurate and so encouraging. I pray that the Lord will give you whatever your heart desires as a harvest to what you have sown in our lives, and to the lives of so many.

We hope to see you again soon!

Prince of Peace

The Kingdom of darkness trembled when Isaiah the Prophet declared, prophesied, and wrote these words in Isaiah 7:14 - "Therefore the Lord Himself will give you a sign: Behold, a virgin will be with child and bear a son, and she will call His name Immanuel". "For a child will be born to us; a son will be given to us; And the government will rest on His shoulders; And His Name will be called Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace". (Isaiah 9:6) Eight-hundred years later, the angel Gabriel declared in Nazareth (Luke 1:31), "And behold, you will conceive in your womb and bear a son, and you shall name Him Jesus". In verse 32, Gabriel continues, "He will be great and will be called the Son of the Most High; and the Lord God will give Him the throne of His father David". As we read on in Luke, Chapter 2, verses 10-11: "But the angel said to them, 'Do not be afraid; for behold, I bring you good news of great joy which will be for all people. For today in the city of David there has been born for you a Savior, who is Christ the Lord'". As Christ ministered in Galilee to the Samaritans, we read in John 4:42 "His life and ministry revealed to them, that He was indeed, The Prince of Peace (Christ the Savior of the World)."

As we enter into the Christmas season and come to the end of 2003, I am grateful that I met the Savior of the World, The Prince of Peace, It is because of Him that I am able to fulfill my destiny. I pray that God would release a new peace to you... a peace that passes all understanding. (1 Peter 1:2) May grace and peace be multiplied to you in the knowledge of God and Jesus, our Lord.

In His service,

Dennis & Anita Tinerino

Christmas Greetings to Our Faithful Friends and Partners

The greatest season of the year is here, CHRISTMAS – Christ (The Anointing) Mass (to celebrate) to celebrate the birth of the Anointed One and His Anointing. Christ was born and His birth allows us to have a "new birth" in our hearts.

As we come to the end of this year, it's a time to reflect on how we labored in his vineyard. I've seen multitudes of lives changed, saved, delivered and set free. We believe the Father is well pleased with our labors. Your faithfulness has often made the difference...allowing us to go out into the world with the Word of God...and to pray and prophesy over those in need. Will you build and partner with us? Remember, "To receive a Blessing, you must release a Blessing."

As always, Dennis Tinerino Ministries International is dedicated to saving souls, worldwide revival and releasing the mantle of the prophet to the nations. We will be going back to Europe this year and need as much prayer and financial support as possible. We also have a need for an immediate manifestation for new office space and equipment.

During the Christmas season, please send in the Covenant Partner Card enclosed with your prayer request and we will be praying for you and the needs in your life and family. I personally would like to thank you for your prayers, kindness and support.

We need one another! Anita and I and the family would like to wish you and your family a prosperous and blessed Christmas and New Year.

As the New Year approaches, we believe that you and your family Celebrate the name that gives us power and authority each day of the New Year.

Get ready for a Powerful year in 2004. Hallelujah!! Be Blessed!

The Meaning of the Candy Cane

The fascinating story behind the candy cane ...The birth, ministry, and death of Jesus Christ are signified through the elements of the candy cane ~ JESUS CHRIST is

our Good Shepherd (staff shape) ~ 1 Pt. 5: 4
our Rock (hard candy) ~ 1 Cor. 10: 4
our Sinless Savior (white) ~ 2 Cor. 5: 21
our Sacrificial Lamb (red) ~ Eph. 1: 7
The STRIPES symbolize pain inflicted upon Jesus before his death on the cross and a boldstripe to represent the blood he shed for mankind. The three stripes can also represent the power and presence of the Trinity (the Father, Son and Holy Spirit).

The smell and taste of PEPPERMINT relate to the herb hyssop. Psalm 51: 7 states, Purge me with hyssop and I shall be clean, wash me, and I shall be whiter than snow. The candy cane is meant to be shared -- broken into pieces for all to share. That reminds us of Jesus's words, "This is my body which is broken for you"(1 Cor. 11: 24). What a sweet way to share the Gospel! And you just thought it was good candy :-)
Some of the legends may vary, but the truth of the symbols remain

SPREADING THE GOOD NEWS FROM THE ISLAND OF CYPRUS TO JAPAN AND TO THE STATE CAPITOL

Dennis praying over soldier in Cyprus

I once heard the Lord ask me, "Will you go to the nations?" I answered, "Yes Lord; I'll go to preach the gospel." A door was opened in the island of Cyprus. The Holy Spirit said, "Go Quickly, I have a prophetic word for you to speak to the nations and to preach my Word." It's only 40 minutes by plane from Cyprus to Israel, about the same distance to Syria, and it also borders Turkey. It is a strategic nation since it is so close to the Middle East. Ships from the Middle East come into their port on a daily basis. There is much involvement with Russian businessmen, who use this country for a base of operation. It is also an offshore banking haven. Most of it involves illegal and corrupt transactions. People from other nations are bringing in drugs, prostitution and every imaginable evil deed. The hotels on the beautiful Mediterranean beach, are a tourist haven for Europeans. There are two thousand British troops and hundreds of American troops stationed there. The main religion of the country of Cyprus is Greek Orthodox. The majority of the people are not committed to their church and don't know anything about the Bible; they call themselves Christians because of cultural roots of the church. I was invited by Pastors Sophocles & Andry Christodoulou to minister at Apostolic Church of Jesus Christ in Lemosos, Cyprus. They are mutual friends with many ministers in Greece and Australia and are used mightily there. Our first meeting was at the Nicosia church where I ministered with an interpreter. The people were hungry for all

God had. Many responded for salvation and other spiritual needs. The meeting went on to almost 12:00 at night. The next night we rented a hotel suite in Lemosos, where I shared my testimony. Once again, people responded for salvation, healing, and a Word from the Lord. I had three other meetings at Apostolic Church in Lemosos. Powerful Evangelist Kikos arranged and conducted meetings in the capital city of Nicosia, where we had an outreach to the unsaved bodybuilders who competed the next day at the Mr. Cyprus bodybuilding event. I was excited to hear that the Holy Spirit spoke to Prophet Kenny Russell from America to fly over. Kenny and I, as well as many others, personally prayed and ministered to numerous contestants and gym owners. Tears came to my eyes as I watched many bodybuilders receive Christ and others healed. I had the honor of receiving a Lifetime Achievement Award the next day at the Mr. Cyprus contest. The Pastors in Nicosia are so in love with Christ and share a powerful vision to take the city. My last meetings were back in Lemesol. I was particularly touched when a man from Iran came forth to receive the Lord. People from many other nations also responded. It was so hard to say good-bye to my new-found friends. I believe I will be back in 2004.

Arriving back in the States from my trip to Cyprus, I was excited to see my family, friends, and ministers, and to share with them the great things God has done. I was delighted to have the opportunity to minister in at Church of Glad Tidings in Lancaster, California (Pastor Ron Miner), where God moved by his Spirit and touched many lives. The first week of October arrived and I was off to Florida. My first meeting was at the new Victory Church in Bonita Springs. I was able to give an encouraging word and hear people testify about how they were refreshed and had new hope and faith in the Lord. I also had the opportunity to be a witness to an influential businessman and many others. My next divine assignment was to visit longtime friends Rodney & Adonica Howard-Browne and fellowship. I was prayed up and excited to minister at Praise Chapel in Pinellas Park and to have a time of fellowship with my good

The month of November came to an exciting end with a Holy Ghost meeting at Living Faith Christian Church in Northridge, and an opportunity to speak to the on-fire youth at the Malibu Vineyard. I praise the Lord for such an amazing, anointed season. There are hundreds of praise reports that simply cannot be included in this newsletter because of space limitations, but I think the Lord that I was able to travel to and be involved in ministry in five different nations. We even helped furnish exercise equipment in Latvia, Riga near Russia. The fruit of this ministry is increasing beyond our greatest hopes. We are now touching political and religious leaders of the world. Millions were reached through the media as well as through the church meetings we have participated in around the world. God has given this ministry great favor to reach the unreachable. Hallelujah!

Look and see how your support is allowing Dennis Tinerino Ministries International to reach the multitudes and reap the harvest for our Lord. Thank you all.

A Picture Is Worth a Thousand Words - Dennis with the youth at Nagoya Christian Church

friend Paul Sames. As I preached and allowed the gifts to flow out of me, the people of this Word-based Spirit-filled church were released to a new level in the Lord. God used me in three power packed meetings there. I stopped to visit Church Without Walls in Tampa, and was delighted to see former baseball champion Darryl Strawberry, who I knew from my former church. It was good to see what God has done in his life.

As I arrived back in Los Angeles, Dr. Kenny Russell flew in from Wales to help the ministry with organization and to pray with us and assist with planning upcoming meetings. We then flew to Glory Zone in Long Island, NY (Pastor Richy Petrelli), for their five-year celebration along with Dr. Laurence Kennedy, Pastors Eddie Mitchell, and Pastor Leonard Gardner. We had three days of powerful teaching and an outpouring of the Holy Spirit. This church will bring Long Island to a great awakening.

The following week we were off to San Jose, CA to minister at No Limits Church (Prophet Michael-John Toste), where there were many Ministers and businessmen who were hungry for a Word from the Lord and a touch of His Spirit. We are still getting praise reports from that meeting. Hallelujah!

Pastor & Teacher Bobby Ramos and I were excited as we departed for Nagoya, Japan to minister at Nagoya Christian Center (Apostle Ernie Shimomura). We conducted most of our meetings at a beautiful mountain resort. We would meet a 6:00 in the morning for nearly 2 hours of intense prayer. These people really know how to seek the face of God. Bobby and I ministered day and night throughout the week. The Lord gave me a prophetic Word for the nation of Japan and for the church. God also touched me mightily when I was there. This committed, sold-out group also has a ministry in Latin America. It was hard to say goodbye as we had truly become knit-together in the Spirit.

Anita and I then had the honor of receiving an invitation to the Inauguration of Governor Arnold Schwarzenegger in Sacramento, California. We had a great time, met with a lot of people, and were interviewed by ABC News. There were at least 10,000 people there that day, and God used me in the media to reach the masses. We also met with Ralph Drollinger of Capitol Ministries, which has an outreach to state legislators for the Lord, and does bible studies there on a daily basis.

We are praying for my friend and new Governor, Arnold.
