## Looking Back on God's Manifested Miracle Power... Touching Lives Across the Nations

Here are a few testimonies from England and the East Coast:

### LOGOS CHURCH

The Lord gave me a word of knowledge that a certain young man was away from the Lord and it was time to come back. He came down from the balcony, made his way to the front, wept and repented. Many gave their lives to the Lord after witnessing this.

Two women hooked on drugs received Christ and were fully restored.

Many who needed emotional and physical healing were prayed for. As I prophesied over many church members and leadership, all were encouraged and many were weeping as the Holy Spirit ministered to their lives.

A young man testified that I had prayed for him before, and the word was "spot on!" (Translation: "Right on!")

Many testified that my message and the gifts of the Spirit released an impartation for great boldness and consecration.

We received numerous letters and e-mails from people that were touched by both the movie, "Made in Britain" and the interviews on "Revelation TV". Many of these responses were from unsaved people.

### THE GLORY ZONE

Matt Ferber was overwhelmed by the prophetic word that he was a "real fisher of men". Later that night, he returned with a photo of himself wearing a sign that said, "I'm a fisher of men" (soul winner). He had invited his friends and co-workers to attend the evening meeting, and many received Christ. Hallelujah!

Matt Ferber, Fisher of Men

### Meetings held in sunny California: VICTORY OUTREACH

Many received Christ and were delivered from the bondage of drugs, sin, alcohol and gang violence...all were hungry for God. Pastor Augie received a prophetic word.

### FAMILY WORSHIP CENTER

Preached and ministered with a strong anointing to go deeper with the Lord...give Him total surrender.

Many testified that their faith in the Lord grew from attending the meeting.

Many healings were reported as well as renewed commitment to God.

## Couriers of God's Presence: Part II

"Courier": One who bears messages or information; esp. for Diplomatic or military service; a messenger sent in "haste" with important letters or messages; a messenger who is entrusted to carry and care for that which he is to deliver—usually God's.

Couriers always say, "I have the victory!" We're living in a time when God is separating the believers from the "make-believers". There are many who say they know the Lord, but there are no fruits in their lives to prove they have a relationship. In Judges 7:3 the Lord says, "Whoever is fearful and afraid, let him depart at once from Mt. Gilead." 22,000 returned and 10,000 remained. Two-thirds of the people left, because they didn't know they had the victory! In verse 4, the Lord says that there are still too many, and he had Gideon take the 10,000 down to the water, where God chose the 300 who would fight with Gideon. How did God choose? Those who "lapped" the water were alert; they were trained for battle; they didn't allow their environment or current situation to deter them from their purpose, which was to be victorious in every battle; to overcome every trial, tribulation and hardship. God chose the ones who had a heart after Him—those who would lay their lives down, take up His cross, and be obedient to His voice, overlooking their circumstances—and he gave them a supernatural victory over their enemies that would try to stop them from fulfilling their purpose and destiny. The Lord armed the 300 against tens of thousands with only trumpets, torches and empty pitchers. Most importantly, he armed them with the Word of God, which was so powerful it caused their enemies to flee in fear and turn on each other when they heard it spoken aloud.

God is looking for those who will: *Watch, stand fast in the faith, be brave, be strong.* (1Cor. 16:13) He tells us to...*be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.* (1Cor. 15:58) Just as the Lord separated the 32,000 into Gideon's army of 300, He is shaking His church and separating those who are steadfast and believe in the victory from those who are lethargic, double-minded, apathetic, and are serving God for their own selfish purposes—not because they love Him. The Lord says, "be hot or be cold, but if you are lukewarm I will spew you out of my mouth". (Revelation 3:16) God is a consuming fire. If we stay close to the heat, His passion will burn within us to fulfill our destiny. God's chosen 300 in the army of Gideon loved not their own lives, they feared not death, they were intimidated by no crowd, they spared not their prosperity, they sought not reputation, they would take no bribes, they stood for the principles of truth, and were obedient to the sound of God's voice.

The men and women of God who are enlisting in God's end-time army are God's gifts to a lost and dying world. They are called apostles, prophets, evangelists, pastors, teachers, ambassadors, and friends of God. (Ephesians 4:11) They are willing to turn their world upside down; be rejected by men, failing man's qualifications, yet ordained, qualified and selected by God. They are vessels of destiny and honor, companions of angels, surrounded by flames of fire, swimming in His anointing, releasing His presence, taking authority over trials and tribulations, sickness, poverty, calamity and even death. Bold, radical warriors wearing God's armor with their eye on God's high calling (Philippians 3:14) Pressing towards the goal represents a continuing, ongoing pursuit of knowing God and the will that He has for your life. My friend, if you know God, you'll make Him known—you'll be His courier. Remember, you plus God equals a majority. You must have a revelation of who you are in Christ in order to achieve victory. *But thanks be to God, who gives us the victory through Christ Jesus.* (1Corinthians 15:57)

Couriers: May you reach the lost, cast out devils, heal the sick, raise the dead, rescue and deliver the bound. May you never abandon the faith, grow weary in well-doing, fear man or be intimidated by the multitudes, water-down the message, deny your call, be influenced by money, fame or accolades of man. Stand for the principles of faith, walk in integrity and Godly character. ...*yes, woe is me if I do not preach the gospel!* (1 Corinthians 9:16)

Dennis with October Films Crew in London

About a month and a half after returning from our awesome ministry trip to Australia, we had just enough time to get refreshed before the terrific trio was off again, this time to England and then the East Coast. England was having a heat wave, but the 100 plus degree weather just made us feel at home! Pastor Martin and Sandy Phelps of Logos Bible Church in London welcomed us into their congregation, and we had an exciting time of ministry and fellowship. The Lord showed up in a big way, and the Holy Spirit moved, many gave their lives to Christ and I was blessed to be able to pray for many who were sick, discouraged, or needed a refreshing from the Holy Spirit. This service was televised and reached a wide audience.

I had been crying out to God to open doors in the media, and the Lord heard my cry. We were contacted about a month before this trip by October Films, a British company who was making a documentary about Arnold Schwarzenegger entitled, "Made in Britain". As I had competed with him many times over the years and had been involved in many aspects of his life as a bodybuilder, they were interested in interviewing me. As I shared my bodybuilding experiences with them in this on-camera interview, it brought back so many memories of my quest for the title of Mr. Universe" the wild, crazy, fun experiences as well as the changes I went through spiritually during that time. The film aired on August 7 in England and was seen by over 5 million people. The Lord also opened a door for Anita and DJ to appear on Revelation TV (a British TBN type network), followed by an interview with Pastor Martin Phelps and "The Sermonator". A few months prior to this trip, my D.J. was worshipping at Living Faith Christian Church in Northridge when he had a visitation from the Lord. "I am sending you to the nations," was part of what the Lord spoke to him that day, and he soon found himself sharing his heart with more than 200,000 viewers throughout Europe!

The Lord truly worked through the media this trip, not only was I involved with the industry through a secular documentary, we received tremendous coverage on Christian networks as well. An extra blessing came from my friends at Grace Media in Washington, DC, who are also involved with the television industry throughout Europe. We were able to spend time praying and fellowshiping with them during this trip.

Then it was back to the States. My wife and son took some time to relax in NYC with family and friends, while I headed to Pennsylvania to minister at The Church of the First Born, with Pastors Fritz and Lori Matthews. God's timing was perfect, as many of the members of the church were about to leave for Kenya and China. I was able to lay hands on them and give them an impartation from the Lord as they prepared to take the Gospel into the world. There was an explosion of young men and women who were consecrated and committed to serving the Lord. Long Island was my next stop, Glory Zone Church, where Pastor Richy Petrello held a special meeting for the youth and their parents, it was a Holy Ghost meltdown! It was so exciting to see so many young people crying out for a touch from God. Imparting to the next generation is at the top of God's "for us to do list", just as Elijah imparted to Elisha.

## Arnold Schwarzenegger New Governor of California

The Lord spoke to me and told me that Arnold will be the next Governor of California, following in the footsteps of his hero, former President-Actor Ronald Reagan. I knew many years ago Arnold would be involved with politics. The timing was right; he seized the moment, now he's our new Governor. This is a critical time for the people of California.

Arnold (The Terminator) & Dennis (The Sermonator) as seen in ARNOLD THE AMERICAN DREAM MAGAZINE, on newsstands now....

Not only is the state in a financial crisis but morally and spiritually we're getting further away from God. California is the media capital of the world. It's sad to say that many of the new TV shows and movies have messages that are anti-God, show perverted lifestyles and mock Christians. Recently I read about Mel Gibson's movie "The Passion" about Christ being crucified; cannot find a distributor for the movie.

Please pray for Arnold and his family that God would give him wisdom and that he would call on God for decisions like his hero Ronald Reagan did. Pat Boone, Harald Bredesen, Pat Robertson and George Otis shared how Ronald Reagan would have prayer meetings with them during his candidacy. He also was baptized in the Spirit. I have shared my faith with Arnold as well as all the miracles and awesome things God has done through my ministry, and he has always been respectful, compassionate and open even when I have prayed for him openly at Cafe Roma in Beverly Hills, CA. The media is interested in my past bodybuilding competitions with Arnold. This has allowed me to share my fun years of competition with Arnold as well as my faith. Stand with me for favor. Increase and open doors I'm believing that Christ is going to move mightily in California, in politics, school systems, churches and the film business All eyes are on California, so let's fast and pray for a great outpouring of God's spirit in this state and throughout the world.
