We are living in a time where dramatic changes in the world are happening so fast before our eyes. It is almost hard to comprehend or to even get a handle on our present circumstances such as the changes in telecommunications, the political realm, economy, scientific and medical arena, transportation, electronics, and international laws and environment (viz. global warming; see Rom. 8:22). As soon as a business is set up electronically, a few months later it is outdated; we are living in an out of control matrix world. Note the words in Daniel 12:4: "Many shall run to and fro, and knowledge shall be increased, is happening today. People are victims of identity fraud." Everyone is fearful who has been victimized. Parents have their children involved in multitudes of activity, running to and fro. People are always talking about the good old days when life was simple; less options, checks, and balances. Some changes are good for mankind but most aren't.

If you are a son of Issachar and can discern the times and seasons, you will know that 2007 is a year of change in the world but more importantly a year of change in the church and for true believers. CHANGE (Christ Has Arranged New Glorious Exploits). To fulfill what the Lord has for us we need to change. Isaiah 42:9 reads, "Behold the former things are come to pass, and new things do I declare: before they spring forth I tell you of them." The testimonies we have of the past victories (are former things) that have come to past are a point of reference or memorial stones of God's faithfulness. In Joshua 4:1-8 we read that "the Lord commanded Joshua to set up memorial stones as a reminder of how the Lord stopped the waters of the Jordan at flood stage; so the priest could carry the Ark of the Covenant on dry land. What a miracle God did as the Israelites prepared to go into the Promised Land" (Josh. 4: 6) *This may be a sign among you, that when your children ask their Fathers in time to come, saying, what mean you by these stones?* When we share how Christ supernaturally provided healing, finances, divine protection, restoration, and true peace, etc., it releases faith and hope to those that are going through what you came out of. When we look back and see what God has done we are strengthened and look ahead to see what God has begun.

Chronicles 19:3 says that we must now prepare our heart to seek God for the new glorious seasons of success. The Lord is bringing about many changes. He's divinely orchestrating changes in relationships in which unfruitful ones will cease. Then there will be realignment and new alliances. We're in a place of refinement (i.e., getting rid of the carnal nature) with increased power, faith, and guidance, then, *new assignments*. In Jeremiah 29:11-13, God says that He has "thoughts and plans of peace and not evil to give you a future and expected end." Isaiah 42:9 says that God will declare new things for your life. Prepare your heart to hear His voice. He also says that if you pray He will hear you and if you seek Him, you'll find Him if you search with all your heart. Joshua 3:4 says that "*you may know the way By which you must go: for you have not passed this way before.*" In Joshua 5:4-7 the people repented, rededicated, and consecrated themselves to God. They purified their hearts and obeyed God. This is the condition to receive the new things that God has for us and to inherit the promises for this year. The Lord is raising up, what I would call, the "Entering in Generation." This end time army

of God's warriors will be uncompromising in their walk with God. The three Hebrew children stood up for God and were thrown in the fire but because they did not compromise Christ showed up for them. This mighty army will not allow anything to stop them from entering into the great exploits that God has prepared for them. The most important thing to remember is this: If you don't deal with the present responsibilities, it will hinder you from receiving the new things in your life

I will be going to many nations this year. A door has opened for a *Missions trip* to minister in Israel. I will be leaving in September with a ministry team and we need to raise some finances for travel and ministry expenses as well as for our monthly meetings...

We would greatly appreciate your reply by September 1st with the attached card and your offering. Partner with us for souls and the Kingdom message to be proclaimed. The Bible says, "How beautiful are the feet of those who bring the Good News." (Rom 10:14-15)

Thank you for your faithfulness in giving. May God richly bless you. If you can partner with us what God speaks to you to give for our trip, you will also be going with us in Spirit. I decree that as you obey God, you will have a Supernatural Abundant Supply (Phil .4:29) and be totally free in 2007!
